

# STEM WARS

**ONE DAY • 100 COMPANIES • 1,000 STUDENTS**  
**APRIL 8, 2017**

Dear Educational Partner,

Georgia TRiO in conjunction with MICROSOFT, the WNBA's Atlanta DREAM, Atlanta City Council President's Office and other community partners will host "**STEM Wars**" on Saturday, April 8th at Atlanta Metropolitan State College in Atlanta, GA. This **ONE-DAY** conference will consist of **design & innovation competitions, a S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math) focused interactive presentations, hands-on workshops, college and career fair, fast-paced academic competitions, Robotics & Drone showcases, website, video game and mobile application design, special guest appearances, and much more.** This event is projected to bring together over 1,000 middle, high school & college students, teachers and parents and 100 industry-leading professionals.

The registration fee for students, parents, and teachers is only \$35 per person. This covers participation in all of the **STEM Wars** activities, breakfast, lunch, conference gift, and program booklet. **STEM Wars** will also feature Innovation & Design competitions.

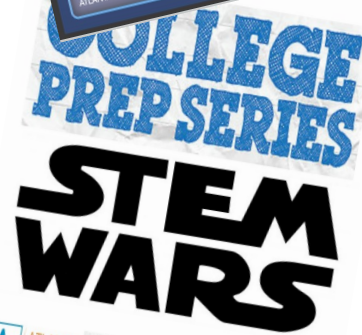

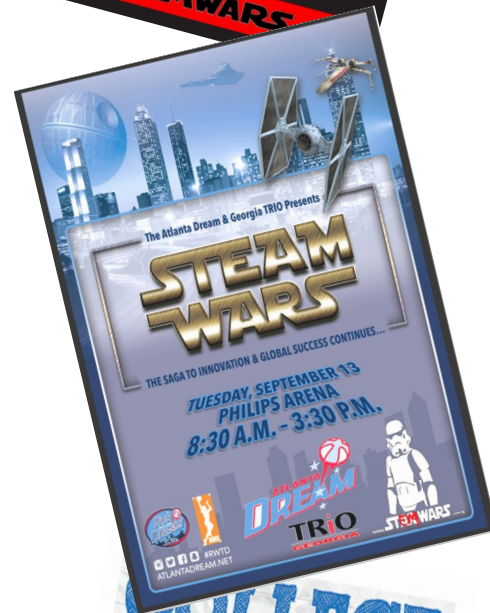

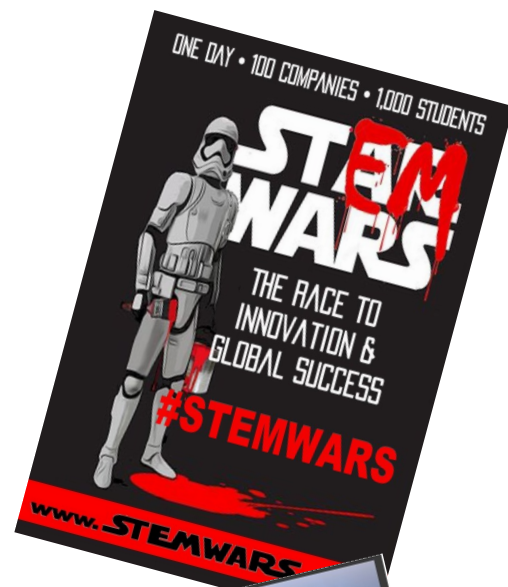

The goal is to provide:

- **Real- life, hands- on, inquiry- based educational activities**
- **Curriculum support aligned with state and national standards**
- **Access to innovative equipment and technology**
- **Access to experienced and highly-qualified industry professionals**
- **Learning activities covering a wide variety of grade levels and topics**

**STEM Wars** is a unique event that brings together educators and exhibiting companies to help introduce S.T.E.A.M. education and careers to our students. Students will learn by doing, engaged in hands-on simulations, workshops and activities – while making new friends and enjoying unforgettable adventures. With curriculum options designed for middle school, high school, and college students, teachers and parents, **STEM Wars** provides audiences with a turnkey solution that delivers all the benefits of a state-of-the art, technology-rich education, at a fraction of the cost.

Sincerely,

**William Troy Curry, President**
